CERTIFICATE OF EMPLOYMENT

To Whom It May Concern,

This is to certify that **MD. Tawshif Islam Nahian** (Passport No: A09020702) has been employed with BongoBrain as an **AI Engineer** since June 2, 2026.

During his tenure, Mr. Nahian has demonstrated exceptional technical competence across key engineering initiatives. His primary responsibilities include:

- **OMR Grading Agents:** Developing automated sheet-scanning systems that grade multiple-choice tests and provide solutions for incorrect answers. ·
- **Adaptive Learning Logic:** Coding systems that analyze student aptitude in specific topics to define adaptive questioning algorithms. ·
- **Text-Based Scoring:** Devising NLP agents that can efficiently parse, analyze, and score open-ended student texts to automate exam evaluations. ·
- **Financial Workflow Agents:** Designing internal modules for accounts to automatically accept or reject submitted receipts.

This letter is issued upon request without any liability on the part of BongoBrain. We highly value Mr. Nahian's contributions to our organization and wish him continued success in all his professional pursuits.
